**ORDER FOLLOWING MAY 2, 2023 HEARING**

Pursuant to the Court's April 25, 2023 order regarding discovery disputes (Dkt. 102), the Court convened a hearing to address Plaintiff's objections to the scope and volume of written discovery propounded by Defendant. At the hearing, the Court stated that discovery related to defenses not pleaded will not presently be allowed. To address further Plaintiff's objections, the Court directs Defendant to file a memorandum no later than May 5, 2023 at 10:00 a.m., setting forth in full the written discovery to which it continues to insist Plaintiff should respond and the arguments and authorities in support. By May 8, 2023 at 10:00 a.m., Plaintiff must file a memorandum setting forth its arguments and authorities in opposition. The Court may conduct a further hearing after reviewing the memoranda.
